“ So very sorry to hear this about Bruce. 1968 lost another class member, so sad. Bruce was a quiet , considerate person. My condolences to the family.

“ i remember meeting Bruce and Pat while our daughter and their son, David were dating, engaged and then married. We would see them and their beautiful family at all the family functions and get togethers. i remember this one time , Bruce and I were talking about the “kids” ( Tris & Dave) . i remember it was in our house during a july 4th celebration. i had mentioned Dave and how happy we were to have him as part of our family. Bruce looked at me , and said,” I’m so proud of my boy. i love that kid so much” and i could see him start to tear up.

That wouldnt be the last time i saw that love , i saw it whenever he talked about his grandchildren , his daughter, his family and his wife. i saw it at his sons police academy graduation ceremony when he pinned his son and saluted him. i’m sure there are so many others who have also witnessed this love for his family- this was ours

Rest in Peace Bruce - we love you
