“ I am so very saddened learning so belatedly of Fred’s passing. Hearing his voice I never realized this year he was gone.
He was an amazing person. I’ve been with BCN almost since the beginning more than 20 years.
Through various tech problems he was a mentor and friend. I knew he was ill we spoke about it and he was still always the warm supportive Fred I knew and admired and so enjoyed even when the going was tough.
I am so sorry for his loved ones loss of such a man.
I will miss our talks and his presence her on earth.
I’m sure he has a special place in heaven.

“ I just learned about Fred's passing and am so very saddened. I joined BCN in 1998 and shared many wonderful conversations and laughter with Fred over the years. He taught me a lot and was so very responsive to my neophyte efforts to unravel e-mail problems. He will be sorely missed.

My warmest regards to his family during this very sad time.
