“ I was sorry to hear the news about Harold, he was such a kind hearted, gentle man that was always smiling and laughing. One memory from my childhood was after a square dance that Harold had been calling at, the band met up afterwards at the Savoy General Store. Harold said that he was so hungry he could eat an entire half gallon of ice cream himself and Norman Bates told Harold he was exaggerating and that if he could eat the entire carton in one sitting he could have it for free. And he did! Norman never doubted Harold after that. I know that Harold is still smiling up in Heaven and telling jokes with those that he hasn't seen in a while and eating as much ice cream as he wants :) Anne Shaw Johnson
