“ Kim Jen and Bob

I am so so sorry to be reading your moms obituary just now

We just drove by her house and as always a flood of beautiful memories with your mom came to me and I saw a trampoline outside and decided to try and look her up and what came up brought such sadness

I am so sorry, I did not know.

I haven't seen your mom in so long but she has remained such a positive tool model to me.

She taught me all I know about Payroll !

She taught me how to hair pin lace and helped me from start to finish with a blanket!

Most of all she taught me how to be kind and gracious, I'm only sorry that I hadn't seen her in the past years

With love
