“ I really didn't get to know Sue at Drury High School where we graduated together with the class of 1977, but I got to know her very well when she moved to the millhouses in our so called "Golden Years. She called our apartment complex, The Home, and I got to know her well by going downstairs at night in the community room, at functions that we had at the millhouses and the birthday parties the we held for the residents. But best of all I remember her as her fun loving ways at playing our card game on Tue and Thur nights Turn Up even though she was in pain and hurting. She was a fighter. She will be sadly missed by all of us who knew her well at the millhouse.

“ Sue had just attended our 40th class reunion in October. It was so very nice to have seen her and talk about our high school days. She was a kind person and will be missed. My sincere sympathy to the family.

“ Sue was my best friend. I have so many good memories for the things we did together that I could share. She still had her sense of humor when she was sick. She blamed everything on me for the silly things we did. I will cherish the good times and the laughter we had together. She will be in my heart for the rest of my life. Now she is with Connie,her parents ..Barb and Jerry I know she is not suffering any more. RIP Sue I will miss you for ever. And give Connie ,your mom and dad a big hug for me.

“ Sue was the house director of the home my brother Matty and his friend Joe shared for more than 15 years. She made that home a true family, and her love and concern for the men there was always evident. We all miss her, and will cherish the memories she left behind.
