“ Joe, Julia and family,  
I am deeply saddened by the passing of Abby. She was a wonderful woman and she will be missed. She always told me, "Don't buy me anything for Christmas. All I want is a new pair of legs." I have been given comfort by that comment because I know that is the first thing she got when she went home. I hope you are doing well and I will miss seeing you. Thank you for everything.  
God Bless you and your family,
