“ *Dave and Jim,*

So sorry to hear of your mom's passing. She was a lovely lady and a good friend to Evelyn. I fondly remember the good times we shared growing up in Adams and the wonderful times our families spent together such as skiing at Dutch Hill, boating on Cheshire Lake, or watching Dark Shadows and reading your comic books at your house after school. We miss her Christmas fudge! With love from Joe and Sharon Turgeon.

“ *I always loved your Mom and thought of her often. She was always very kind, and had a welcoming smile, and it seemed that "we'd just spoken yesterday". Her words always made me feel good. It was wonderful touching*

base at the church bazaars through the years. We'd spend time reminiscing, and catching up. She always took great pride in her boys and their families. My deepest sympathies on her passing. There is nothing like a mother, and she certainly was a special one. Hugs to the family.

“ The year 1956 was an extraordinary year and initiated a relationship with Aline and Bob. We happened to move into the same apartment building. A warm friendship developed because of Aline. No one could resist her charm. We each had a baby the following year. Aline had an open door policy and a listening ear for motherhood blues.

In the 3 years we lived there and interacted with her we never heard an unkind word spoken. We were blessed to have known her. Aline was one of a kind, a true gentle woman.

“ *Dave & Jim, deepest condolences from the Peters tribe in Morocco. I'll always remember the welcoming hot cocoa your mom served after our 'brutal', winter broom hockey matches in your driveway. Biggest smile on the west side of Adams.*
