“ Dear Lorraine and family, So sorry to hear of the death of Allie. I have good memories of baby sitting for your children, along with all my sisters who also babysat. My father worked for him for many years, and was the first to retire from Shapiro Motors. I remember stopping down there and talking with Allie even when he got older, Enjoyed the times he would come into my store (Ralston Auto Parts) and we would reminisce of old times. He was a family friend And a good person and I am thankful that I had the opportunity to know him and his family. Sorry I was unable to attend the service, just had a hip replacement. My deepest sympathy.
