Angel Gone Too Soon

You were here one moment, then you were gone. We had no idea what was going on. The sadness in our heart is so hard to bear, thinking you thought no one cared. The emptiness, loneliness and pain you were dealt, makes it hard for us to understand what you had felt. How we wish we could have taken it all away, if only we knew what you were thinking on that day. A thousand words

or tear won't bring you back to stay. For God said it was time to go his way.
You are now safe in heaven with all the angels above. They will take care of
you and give you their love. Our love for you will always remain. Never
forgotten, never the same...!!!!
