“ *Jon & I are so saddened by the death of Bea, and extend our heartfelt sympathies to all the Bourdons. We always enjoyed her no nonsense approach to life, but especially the way she exuded love and devotion to her family. Her Sunday dinners were generous and no one was excluded. The more the merrier! Bea raised her children to value God & , family and led by example. Her heart was huge and her loss will leave an unfillable whole. Fortunately her legacy of love will live on through her kids, grandkids and great grandkids who will mourn her loss but carry on in her honor. Love and hugs to you all.*
