“ Sorry to hear Bruce passed. We were friends in middle school and high school. I did not see him much after high school graduation, we kind of grew apart, life happens. Last time I remember hanging out with Bruce was the Summer of 1994. We randomly crossed paths, hung out, and ended up fishing, he was cool like that. I moved away from the Berkshires in 1995. I will never forget some of the memories I have of him when we were young teenagers, it was fun times back him. Bless you Bruce.
