“ *Mark, Brian and family, Please accept my deepest sympathy on the death of your Dad. I was saddened when I read The Berkshire Eagle this morning and saw his obituary. I will always have fond memories of both of your parents and all of the fun we had as "camping" children of so many. My thoughts and prayers are with all of you during this very difficult time. If it will not be posted in the paper, please let me know when the burial will be. Again, my best to each of you and your families. Judy Bissailon Condron*
