“ Andy, Jaymie, & Bethany, I am very deeply saddened to learn of Carrie's passing. She was such a wonderful, caring and very giving person who always had a kind word for everyone and was never to busy to stop and chat for a bit. I will miss her infectious smile and talking with her about her daughters, she was so proud of the both of you. She will be sorely missed.

“ Always a smile, quick to laugh, loving mother, loving daughter caring for her parents and loving baby sister. Dear family, Art and I are so sorry for the Loss of this beautiful person. Art remembers sharing rides to BCC back in the day. Linda always talked about how hard she worked for her family and how much her daughter's meant to her. God bless. She will be missed by so many people in the community.

“ So very sorry for your loss. Carrie was my student in the GCC Paramedic Program. She was hard-working, dedicated and fiercely devoted to learning as much as she could to care for her patients. She had a great sense of humor also! I hope that your memories of her will bring you peace through your pain, as well as joy that she was in your lives. Deborah Clapp
