“ *Oh no, I can't believe it. My friend from Fla who worked at the
Library with me texted me about Chad. We were good friends. He
was so smart. loved to travel and keep moving. I met him when I
worked at North Adams State College and we became good friends
there. I went to his home a few times to help him with his computer
and stayed for a meal a few times. I love his family like my own. I
got to know them all from the Adams Library working in the
Children's room. I met Madison there. what a sweet little girl. and
met Todd and knew his sister too. They are the best family I've met
in my life. I love you Barb and Gary. So very very sorry for your loss.
I will never forget any of you and especially Chad. Never forget you
Chad. Love you all. Lyn*
