“ *The amount of extremely blunt ,straight to the point, no B.S attitude and personality that was able to fit in such a petit Italian woman was remarkable and almost unbelievable!! We shared that quality and she never let me forget that!*
She would constantly tell me how much I reminded her of her brother, my Papa and it never got old having her tell me, over and over. Ti Amo Aunt Chris!

“ *Dear Al, I want to extend my deepest sympathy. I so loved both of you as my neighbors for the past several years. I enjoyed talking to Chris and receiving all her advice on how to properly take care of plants and flowers. She was a caring neighbor and always made sure she watched over my house if I went away. I have missed seeing her these past months.*
I am in Florida now and I won't be home until Friday. I wish I was there to attend the funeral services. Please know I will be thinking of you and sending my love. Your neighbor, Carol
