Remember the Mr Bruce brought you down and you started working for me, from that day on you brother were like a part owner of Side Pocket Billiards and what later became Casey's. Now you're at rest going to work on your celebration of life bud. We will send you off with a heck of a party. Love ya brother or until we meet again bud practice up on that infamous Clarence rack. Rest easy bud. Hang with the other guys Tommy, Bruce, LA, Paul, Frankie and remember easy safe or hard shot!! Talk to you again in my next message.

“ Clarence and I shared a love of playing pool, and he was a good player, but never one of the top players, having said that I and others were amazed at things he did, often he would challenge one of the top players (for money) and would not accept a spot, although I and others told him he should as it was only fair, and he did beat many of them in time without the spot, here is something else odd/strange that he did, he joined an eight ball league, and every so often after seeing who he would be playing on the flow chart, he would say to a player "I'M TAKING YOU OUT" ,he only said that to a player that was one of the top players, and without fail he did it EVERYTIME, during that league it became a running joke in the poolroom kind of like "the Clarence curse", so we would tease the good players that had to play So in the long run he did it his way, and that is the way it should be, I will miss him, but I also am glad his suffering is over

“ Dear Debbie, Shane, Allard & Harrison Family and The Extended Family of Clarence, I recall having a picture taken in a pink bridesmaid gown and matching umbrella on the steps of St Thomas Aquinas and a big wedding party at the Turn Hall. Clarence touched the lives of many. There is no doubt his life was not an easy one, but his kindness mattered. Rest In Peace.

“ *Tina O'Hearn ex wife*

Even though we ended up getting divorced he gave me our amazing son Zach and for that I'm grateful. He taught me how to drive in the snow, he lived sharing his love of music with all. He will be missed by all of us.

“ *To Clarence's Family,*

No matter how old we are, it's never easy to lose a parent. My thoughts are with you as you grieve. My deepest condolences at this time of your loss.

While we were "distant" family, periodically we'd gather to swap stories. While Clarence didn't have it easy, I always knew him to be easy going.

Rest in peace, cousin.

“ Not sure which one of a million memories to share. Walking around in the mall with him, the morning Zach was born, all the times he helped my husband or me with things at our house, square dancing (sometimes with one of the men in the set), building his deck, playing his organ? These are just a few.

“ To Clarence's family,
I am very sorry to hear about Clarence's passing. He will be missed by all that knew him. I remember him always being down at Side Pocket Billiards back in the day. He was always there to help people with any shot they were trying to make. I hope that all of the memories that people share with you help you in this difficult time.
