“ So sorry to have heard about the death of this low life piece of shit who not only sexually abused me but many others in the 70,s including a friend who committed suicide over this a few months ago. You deal with his death and I'll celebrate it. I don't even think he'll be allowed in hell as the devil may see him as someone trying to take over.

“ Remembering how much all the St Hilaires can talk and they seem to not really listening just talking all at once. How the different Clem and Vince were. Sorry to hear about your father, grandfather and great grandfather. Doris was told and read the newspaper article.

Just to let you know that Aunt Sr. Lillian Patricia is very much alive and lives in New Hampshire.
