She had a wonderful sense of humor, and often spoke about her family. I was so sorry to hear that she had been ill, and passed, and know you will miss her bright smile.*

“ *DiaMike, and familyl worked with Colleen at Childcare of the Berkshires. Colleen also became my friend. She was supportive in my position as social worker and always had a good laugh. Her laughter was contagious. It will be a difficult path without her but take each second by second. “ What a great picture of Colleen...it captured her personality perfectly. I was so sad to hear of her death, my sincere sympathy to all the family. Colleen and I worked at Williamstown Community Day Care in the '80s and remained friends afterward. She was quite a girl!

“ See that SMILE? That's the smile everyone will remember. I was greeted with that smile 35 years ago. I drove from North Adams to Adams to Williamstown back to Adams and North Adams so that Colleen could be my Daycare Provider. She taught me so much about being a First Time Mom. And she wrote down my son's first sentence... "More For Lee!!" and every time over the last 30+ years we would hug and say... More For Lee. So sorry to see you go. My thoughts with Mike and family.
