

Mr. Collin J. Campbell

January 26, 1997 - April 11, 2025

With heavy hearts and deep sadness, we share the passing of Collin J. Campbell, who left this world unexpectedly and much too soon on Friday, April 11, 2025. Born in Pittsfield on January 26, 1997, to John T. Campbell and Danene M. Collings, Collin spent his childhood in both Massachusetts and New York and graduated from Niskayuna High School.

Collin will be remembered for his kind heart, gentle spirit, and the light he brought into the lives of those around him. Whether through a warm smile or an unexpected moment of humor, Collin made people feel at ease. He had a deep love for music and was never happier than when he was behind a drum set, sharing rhythms and joy with friends and family. Music was a passion he poured his heart into—expressing himself through every beat.

Collin also enjoyed gaming, laughing with friends, and simply being with the people he loved most. He loved his pets—Alley, Jade, and Maddie—who brought him great joy and were constant companions by his side.

While music was always close to his heart, Collin worked in both manufacturing and retail in the greater Capital District of New York.

Collin is survived by his parents; his brother, Chad Campbell of Clifton Park, NY; his maternal grandfather, Richard Collings of Adams; his paternal grandparents, John and Pamela Campbell of Cheshire; and many loving aunts, uncles, and cousins. He was predeceased by his maternal grandmother, Donna Collings.

Collin's warmth, creativity, and deep care for others will be missed more than

words can express. Though he left this world too soon, his memory will live on in the hearts of all who knew and loved him.

Funeral services and burial will be private for the family. There are no calling hours.

Memorial donations may be made to a charity of the donors choice through the PACIOREK FUNERAL HOME, 13 Hoosac St., Adams, which is in charge of arrangements.
