“ I am soo sorry to hear about Dan. He was a great friend to my father. He made my daughters day by dressing up like a leprechan on St. Pattys day. she still talks about it and has the picture of the "real live leprechan" on her wall. He will be missed by all. Take care and if you need anything at all, don't hesitate to call my father or anyone in the family.

“ Dear Bonnie & family, I am so very sorry to hear about Danny. I was shocked when I heard this terrible news the other day, and I've felt awful since then. Danny goes way back with my family. I'll never forget all the fun times we had as kids, riding bikes and playing kickball on Maple Drive. I always said that Dan was like a third brother of mine growing up because he was at our house every day. I have so many wonderful and funny memories of Danny. He was the guy that always made everyone laugh, no matter what kind of mood you were in. It's not fair that he lived such a short life, but in that time I've seen how blessed he was - his love for you, your beautiful daughter and his success and pride of the Misty Moonlight Diner. I know Dan will be greatly missed by all. You are all in my thoughts, prayers and heart - always. Liza

“ Dear Bonnie, Kiera and Family- I am deeply saddened by Danny's passing. Growing up together on Maple Drive was continuous good times and laughs. He was like a 2nd brother to me as kids. He never outgrew his lovable "kid-side". He always could make me laugh when we got together as adults...I treasured that about him...I always looked forward to what he would do next for a chuckle. Please know that Chad and I are here for you, as well as the Lennon and extended family. Our hearts are aching for you. We will miss you Danny. God Bless, Lisa, Chad, Zaynah and Cazimir
