“ There is so much I can say about Denise! She was the light of my life for over 10 years!  
She was my best friend, traveling partner and confidant. We explored many places together. She opened My eyes to many beautiful places! North pond and Alaska were Her two favorite places to visit. So much so that We were going to pack up everything and move to Alaska! She was a lover of fast cars, fishing and the great outdoors.  
She was always very attentive to everyone's needs and She had the greatest smile when you talked with Her! So much so that when we separated She was still my best friend and confidant! Every time that I see an Owl I will think of Her because that was Her favorite animal!  
She will always be My "Prime time" which was My nickname for Her. The town of Windsor lost a great soul!  
My condolences go out to Bonni, Dane, Mimi and to rest of Her family.  
Sincerely  
Ken Castor

*Dear Bonnie, Dane and Marie, and all of Denise's loved ones,*

*I am so sorry to hear about Denise's passing. Do you remember how we all used to go roller-blading and biking? Denise was the one who got us all to go out and do these things, and it was always so much fun when all of us were together, just having a good time. I will always be indebted to Denise for setting these events up, and getting us outdoors.*

*May all of your many happy memories help you through this difficult time.*
