Tribute Wall

“ I am so sorry to hear of the loss of Dennis. I was very good friends with him for awhile! I could always count on him to be at my house early for my annual Christmas party helping me set things up! Or, the days when we were working on, or racing cars! Dennis took a picture of my Grand National at Lebanon Valley while I was driving. I blew that picture up, framed it, and it still hangs on my son's bedroom wall! Every time I look at that picture I will remember him. I am sure he is in a much better place than we are! Just because someones physical body is not with us, does not mean they have left us!

“ I am so sorry to hear about Dennis. I went to school with him while he was at Hoosac, we went to my senior prom together, we traded letters while he was in basic training and in Germany, and for many years I considered him to be one of my closest friends. Far too many memories, antics and embarrassing stories could be told. I am shocked and so completely sorry that I loss touch with him after I moved out of state.
Ron and Wanda, I will keep you in my thoughts and prayers as well as his daughters.
Rest in Peace Dennis
