“ I didn't know him well, or at all really as we only passed each other at work daily, but he always had a sincere and welcoming smile. Too young, too soon. Rest in peace.

“ Dear Dawn and Tyler, I was shocked tonight to see Derek's obituary in the Frederick News Post. I taught Derek in 6th grade and remember what a wonderful kid he was. I remember you saying you were new to the area, that Derek loved soccer and that he was close to his grand parents. He had the best smile and was so sweet to other students. I can see his 11 year old self right in front of me. His auto-biography was very touching and I am so glad that he shared a part of his life with me. I am so sorry for your loss and you are in my prayers. K Herrmann Ballenger Creek Middle School
