“ Diane and I worked back in 1979 for years together at Union Federal Savings. I don't think I ever laughed as hard as when I was with that woman. Her zest for life and laughs we had together were some of my best memories at the first job I held out of school. I am so sorry for your loss, to the family and Mark. I stopped in to see her about a year ago when I was back home ... it was great to see her and share those same laughs. I'm truly shocked and sad for all of you.
