“ Dear Al,

Donna will live on in the hearts of all who were lucky enough to share their lives with her. Her heart was huge and her love and caring touched me and my family in so many ways. We will remember all the happy occasions that we enjoyed with the two of you. No one was ever more ready to pitch right in and make herself useful than she! Many's the wonderful recipe that she readily shared with friends. Best of all was that infectious grin she would flash when she beat us in cribbage. We'll miss her presence but she will always be in our hearts.

Please take care of yourself and keep in touch.

*Love,
Barbara*
