“ Thoughts and Prayers with you all during this time. I had the pleasure of working with Donna at Lindt Chocolate. Everyone loved Donna she had the cheeriest disposition and the staff used to argue with me over who I would schedule to work with her as everyone wanted to. I personally am thankful I got to know her as we talked about family often. I felt as if I knew all of you from all the great stories she would tell. Her family was her heart as she would glow when telling me about Danene and the boys as well as her loving husband. A lovely lady who will be missed by all.

“ I met Donna years ago at another job, everytime we bumped into each other it was such a warm "catch-up" conversation. I also met her parents at my other job. She loved her family very much. She would always update me on how her daughter and Dad were doing after her Mom passed away. I was sorry to see she died at such a young age. Her family and husband should take comfort in how proud she was of them, and how much love she had for them. I will miss bumping into her. Phyllis Anderson

“ *To Donnas entire family..I am so sorry and sad to hear this. I learned over this past summer she was sick and realized that was probably why nobody had been at camp. I have nothing but sweet memories of Donna ..sitting at the lake by the water chatting and watching the kids swim. Please except our condolences and know that we are praying for your peace and comfort at this difficult time. The BelangersOrange ma.*

“ *Thoughts and Prayers to you all. I worked with Donna at Lindt and I cannot tell you enough what a blessing it was to have her as an employee. Donna had the cheeriest of dispositions and everyone used to fight with me on who I was going to be scheduled to work with her as everyone loved her so much. She was very kind and loving, and I felt I knew you all from talking with her. Her family was her heart as she would tell us about her grandsons and daughter and camp with her husband you could see her just beaming with pride. A lovely lady who will be missed by all. May she rest in peace.*
