“*Dot was a valued member of our knitting group "Caring Hands" of St. John Paul II Parish. Many of her beautiful baby blankets were given to children who had been baptized in our parish over the past seven years. Her talent had touched not only the hearts of her immediate family but also those of her extended parish family. Thank you, Dot. May you rest in peace.*

“*To my cousins Michael, Kasia, DeDe, Toot, and Suzette::*

*Your mom meant the world to me. She always had me smiling with her dry wit and laughter. I can't pinpoint the exact thing that was so lovable - there were so many. I told her one day I was bored and was going to start knitting. Next thing, in the mail arrives skeins of yards and pairs of knitting needles. I absolutely loved her. I remember when my mom died a few years ago how she'd pop up to the house on East Road with cabbages or her bread - random stops she'd make at various farm stands when her and Toot went driving. She'd knit for people in nursing homes, service men overseas or just about anyone who needed something. "Boy oh boy", she'd say and we'd laugh about something trivial and funny. Well, heaven has gained an angel - and a fun one at that. My thoughts are with all of you now, but I just wanted to say I will never ever forget her love - it overflowed into everything.*
