“ Dad, I miss you and Mom so much! I hope you're proud of me and watching over me. I had to have back surgery and I wish you were both here for me to lean on. My life is not the same now that you're both gone. There is a hole in my heart that can never be filled. Now you and mom are my guardian angels. I just wish I could talk to you both one more time.....

“ Ed and Marilyn were wonder friends and later clients to me. I met Ed while driving past his condo in Sea Isle City NJ and he was about to pick up a large piece of concrete so I jumped out and stuffed it in my trunk and told him I would get rid of it for him. We were friends ever since. Miss talking with both of them.
