“ *Elaine..my sweet Elaine..my closest and most loving friend. You called me on Christmas morning for the past 24 years. When my phone did not ring this past Christmas morning, with your cheerful well wishes, and when I got no answer when I called you..I truly hoped you had gone out for the Holidays. But then..I read this morning's paper, and realized that the world had grown much darker, and will never be the same without my dearest and closest friend. All my love, prayers and heart felt condolences to Ronnie, Lael, Wade, Hannah, and their families. Another bright light has gone out.*

“ It saddened me to hear of Elaine's passing. She was one of the most beautiful of all the girls in school & had a soul to match. I'll always remember the great parties in the cellar with that awesome fireplace & the ginormous bathroom. So young to leave this earth but I'm sure you'll have a great place in heaven. I know your family will miss you dearly. Peace....

“ *Lael, Wade, Hannah and Ronnie, I'm an so terribly sorry for your loss. Words cant really express what I would like to say. Every memory I have of Elaine involves her smiling or laughing (well except a few times when we were young). She was so sweet and kind to me and always had nothing but positive and upbeat advice. The memories I have of both Chris and Elaine are ones that I will cherish forever. I am so thankful that I had the opportunity to know them. Your family is my thoughts.*
