“ My Auntie Betty Lou! ❤️ You have no idea how much I will miss you! I loved how you always thought about me! Especially on holidays and my birthday! God knows I will miss getting those greeting cards from you! You had the best handwriting too! I always felt like you were my 2nd MOM and I still think that me and Lauren were switched at birth...LOL...even though she is a few months older than me! We had such a special bond between us as Aunt & Niece, and no one could ever replace that! I think of you every time I hear Elvis or see Betty Boop and can't believe you are gone! I will cherish all of the wonderful memories we shared through the years, and will love you always and forever! Rest in Peace my Auntie Betty Lou! Until we meet again. XoXo. Be sure to say hello to all of our family members up there in heaven with you!

Your Niece, La La (Liane)
