“ Lynn, Heather, and Josh, I am so very sorry for your loss. I will never forget the time I ran into Pete at Cumby's and I had my son, Joshua, in his car seat in the back seat. Well Pete chatted with him and gave him the change he had in his pocket. About 3 weeks later, I found that change in his car seat and asked him where he got it and he proudly informed me "Mommy, Pete gave it to me. It took me about 15 minutes to figure out who he was talking about! Lol. This was the first time my son ever met Pete, and he made such a huge impact on him! ❤️

“ Pete has been such a wonderful friend to my family, and we are truly heartbroken to hear this news. He had a true heart of gold and a personality that lit up the entire room. I will forever cherish the Thanksgiving we spent together with all the wonderful stories and great laughs. It has been an absolute honor to have known him. Lynn, we are here for you. Sending lots of love and prayers through this time.

“ SO SO Sorry to Linda for her loss, Pete was a fantastic friend and I always thought of him a true brother that always cared. In my younger years he was always there helping me and my wife with the kids. I enjoyed very much our phone calls and the visit in Florida when he came down. We were planning to visit MA. to see him and Linda in the near future. I am so sorry not to be there at this time due to Clarisse medical problem but our hearts will always be there. Linda we are always here for anything you need. God Bless and all our love to you.
