“ *Dear Laura*

*I am so sorry to hear that your mother passed away. I know this must be a very difficult time for you and your family. I only hope that the memories you have of the years you were together on this Earth will be comforting to you. She will always live on inside of you as long as you cherish those memories, and share thoughts of her with your friends and your family.*

*Gene will always be remembered by me as the smiling outgoing person she was. Always caring for/of others and full of energy. While I worked at the supermarket for yrs she always made me smile. I'm going to miss that sweet lady, whom now is in a place where she can garden all day and watch over all of you from above no doubt she will be smiling.*

“ *My sincere sympathy to you Laura & Stephen. I was so shocked to read this in the paper. I always admired your mom. She was such a nice and hard working person. I'd always see her outside doing some kind of work. Will miss her.*

“ Gene was a very special person. She was a strong, no-nonsense, independent-minded person, never wavering from her principles. I am thankful for the friendship we shared through many years. She was a caring, loving, generous and loyal friend. She was one of a kind, and true to herself to the end. We loved Gene - and are very sad at her passing. Our deepest sympathies to her family.
