“ Denise and family, So sorry for your loss. Your mom always had a smile whenever I came knocking to see if you could come outside to play. I remember her as a good mom to all of you kids, usually singing and smiling. We had fun times for the few short years we were friends in "the project".

“ Please accept my deepest sympathies on the loss of your beloved mother. She was a beautiful person. I know how much you will miss her as, for some reason, it is extremely difficult to lose your mom. I pray that eventually time and warm memories will eventually ease your pain and sorrow.
