“ *Ed and Family,
I am saddened to hear of Grace's passing. I have so many memories of laughter, good food, and bountiful gardens because of her. One of my favorite pictures was taken in your backyard the night before Bill and Laura married. Your home was always a place I could go if I needed a listening ear, shoulder to cry on, or a hardy laugh. I think of you often as I spend time in my own home and yard, as well! I pray for you always. May she rest in peace.*

Ed and Family, I grew up with Grace and even after graduation whenever we would see each other out, Grace always stopped to chat and remember our grammar school days. She was a very kind and thoughtful person. Sorry for your loss and God Bless All of You.

I was very sad to hear that Grace had passed away. I remember her well from Adams High. Shen was so kind and thoughtful. A very sweat girl and woman. We only saw each other at reunions, but I enjoyed talking with her very much. I am very sorry for you loss.
