“ I am writing to you on behalf of a resident at Providence Care Center who was a friend of Helen's. Her name is Marge and she is very saddened by Helen's loss. I told her how peacefully she passed away and that consoled her. She wanted you to know how much she appreciated Helen's friendship over the past four years. They sat at the same table for meals every day until recently when Marge was no longer able to go there.

*I hope that her funeral services were a consolation to you. We all miss Helen!*

*With sympathy,  
Sister Colette Hanlon, SC*
