“ My Uncle Jim was a fun kind hearted man. He was my Moms baby brother. When he lived in Michigan and we would visit from Chicago, it was always an adventure. He taught us to play Sardines in his big old 1894 House. He took us out in his Amphi-Car (the car that goes in water), talk about adventure. All memories with him were filled with fun. I will miss you Jimmy. Love your neice, Laura Villars Leonard

“ I tried to post a message earlier but it still hasn't shown up. Jim played a huge part in my life when I was younger. I saw Jim and Toby pretty often back when we lived in New Jersey but it's been years since we got together in person. He's always in my thoughts, more than ever now. I'm so glad he had so many of his beloved grandkids and great-grandkids living near him.
