“ I was saddened to learn about Jane's passing. I work for CATA and once a week I make music with the residents at West Street. I always loved having Jane in our sessions. She always sang with great spirit and joy, and I'll never forget the way she would throw her hands in the air. I missed her a lot after she was moved to another house. In my tradition, we often say, "May her memory be for a blessing," and in Jane's case, I know it to be true. So sorry for your loss.
