“ Mom I will miss you for the rest of my life. You raised me to be a great daughter and mother. I know I was a handfull growing up and half the time you didn't know where i was. but you knew my friends mom's were there to keep an eye on me. You were there to make sure i got my education and told the schools off and switched me though 3-4 different schools to graduate. You did what was best for me. I love you mom. Deana
