“ *Dear Joann and family, My family and I grieve with you over the loss of Jason. He had a heart of gold and touched the lives of my entire family with his kindness, encouragement and friendship. Like all of us, Jason's young life had its share of struggles and yet through them, and maybe because of them he continuously reached out to his family and friends lending support, comfort and companionship. May God comfort you in ways that only he is able. I truly believe we will see Jason again one day as will all who put their trust in Jesus Christ as Lord and Savior.*

“ Jason was a polite, hardworking, handsome, reliable, smart, thoughtful young man. He has always been spoken of very highly by my family and held in the highest regards. You are very fortunate to have had such a wonderful Son, Father, Uncle, and Friend. Jason will live on in your hearts forever. His son will be proud to have had Jason for his father. My deepest sympathy to the family and all those who were lucky enough to have their lives touched by this special young man.
