“ *Our community mourns the loss of Jason Shea. We knew him best as a talented man with a deep passion for music, a supportive husband, and a proud father. Jason's warmth and dedication touched the lives of his loved ones, friends, co-workers, and neighbors, leaving an unforgettable impact on all who had the privilege of knowing him. And though he tried very hard not to fall in love with Quake, the family Frenchie, we all knew it was a battle he was bound to lose. Our hearts are with everyone who loved him during this difficult time. Witch Slapped Community & The Munn Family*
