

Jean Rodovick

September 4, 1958 - February 29, 2016

Jean Rodovick, of Larkspur, California, passed away peacefully at home February 29th, 2016 after a courageous battle with brain cancer. Her positive spirit continually inspired her family, friends, and physicians. Born on September 4, 1958 in Massachusetts Jean loved her home town of Adams. She attended North Adams State and graduated with a BS in Computer Science.

Jean worked for Bank of the West. She enjoyed her co-workers and her daily walks in San Francisco. Before joining Bank of the West, Jean worked for US Bank and Phoenix Leasing. She was a dedicated worker and made lasting friendships with her fellow workers.

An avid sports fan, Jean loved her Boston Red Sox and New England Patriots. You would often see Jean wearing her Sox and Patriot gear greeting you with an enthusiastic, "Go Sox"! Jean enjoyed playing golf with her friends and family and had a remarkable short game. She never let you forget that.

Jean is survived by her loving partner, Colleen Cunningham, her mother, Nancy Rodovick, sister Julie (Ginny Fuller), brother Joseph (Linda) and nephews Mark and Matt Rodovick. Jean was predeceased by her father Joseph Rodovick.

When you asked Jean how she was feeling, she would always say, "I'm livin' the dream". Jean was a kind, caring and grateful partner, daughter, sister and friend. Those who knew her best will remember her pride in her Polish heritage. Wherever you are, Jean, keep livin' the dream and "Go Sox".

Per Jeans wishes, there are no calling hours or formal services and burial will be private at a future date.

A celebration of her life, open to her many friends, is being planned for a date to be determined by the family.

Memorial donations may be made to PopCares through the PACIOREK FUNERAL HOME, 13 Hoosac St., Adams, or online at www.popcares.org.

“ Jean was my one and only golfing buddy at too many events to mention. Bad shot, after bad shot, she would say something to break us into giggles. She was the kindest, funniest, loyal friend. Her relationship with Coleen, was one others could only dream of having. My heart is full of sadness, for me, her family, Colleen, and all of her many friends. She will forever be in my heart and spirit.

“ I am very sorry to learn about Jean's passing. We worked together for a number of years at Oliver-Allen and US Bank. In addition to being such a formidable associate at work, I will always recall Jean's great love for her family, her Red Sox (she never let me forget that since I am from NY and a Yankee fan) and her love of golf. She loved telling me about her ace as well as aces by her dad and brother - amazing! So glad to be able to retain such fond memories of someone very special to me. God bless.

“ Colleen and Rodovick Family! am so sorry to hear of your lost. I will always treasure the memories and talks that Jean and I had. She would always have a big smile and a great laugh whenever she talked about Colleen, her mother or sister, she would tell me of their travels, the bets on football games or the golf games they played. She would always beam at that fact that her mother seem to always win in football pools or when she it that hole in one. Jean was always excited about going home to see her family. You could always tell how proud she was of the people in her life that she loved dearly, just by they was she would talk about them. When I think of Jean I will always have a smile on my face and great love in my heart for her. She was an absolute amazing lady. She will be miss but never forgotten.
