“ *The photo posted of Aunt Pheenie is the only way I have ever pictured her. Smiling. Always.
Aunt Pheenie looms large over my memory of the best summer vacation an 11 year old boy was EVER to have. She and Uncle Alan are responsible for that. My mom and dad, sisters and I were invited to their camp on lake Champlain which was unknown to me at that time. We fished, swam and played with my cousins at that breathtakingly beautiful place full of wonder and mystery . All together there were 12 of us there in that wonderful "windblown shack" and Aunt Pheenie and my mom took care of everyone.
Thank you Aunt Pheenie and Uncle Alan for those "Best of times".*
