“ *June was an inspiration to me and I will miss her greatly. I met June through the Foster Grandparent Program a few years ago and she was my mentor, the person who not only brought a smile to my face but made me laugh every day I saw her. I worked in Kindergarten and June was next door in the first grade, she was just a little smarter than me :) !! We went to meetings together, I drove her to a couple of the RSVP diners, we joked and shared stories together and she often told me about her family and especially how she loved summer time and her vacations with you. I cannot imagine the sorrow you feel in her passing but know that she will not only always be in your heart but in the hearts of everyone she knew. June will be greatly missed but my memories of her will always make me smile. Her family was her first love and I believe every child she came in contact with was her second love. I am so sorry that I will be out of town both Sunday and Monday and will be unable to attend the services. Please accept my sincere sympathy and know that I am one of many that will never forget June. Betty Sartori*
