As long as my brother Louin has been with Karen I have known her . I never knew karen was sick until recently and even then I never thought she would leave this world so soon. I am at a loss for words but my heart goes out to her family and to my brother who has shared many years with her and her family. May she rest in peace . Karen will forever be in my thoughts ❤️

I had so much fun with Karen growing up! Enjoyed sleepovers and causing all kinds of mischief! Later on we would talk through FB. I always enjoyed her sense of humor. I'm so sorry to the whole family.
