I ask that you let him in 2-Charlie and I did many dumb things as kids far away and were hard to live with but all in all we tried. I ask that he gets in to Heaven . “ *Kathi was like a mom to me. A Mom a sister a friend. She had a wonderful sense of humor and a love for her family. Saying she will be missed is an understatement. She was a hard working no nonsense type of woman. The world is a much sadder place without her light.*

“ *Tim, you, your brother, and your dad were the world to your mom, as were her grandchildren. At a time when I needed a very good friend years back, she was always there for me. She was an amazing woman in many, many ways, full of joy and laughter, and always willing to help someone out. I am so very sorry for the void her earthly presence will leave, but I know she will be your guardian angel and you'll carry her always in your heart. God bless and may you rest well with the angels Kathy. Thank you for being a friend.*
