“ *Dear Dave and family, my heart is broken to hear that we all have lost a beautiful and incredible person. Kelly is kind, beautiful and her smile shines all the way from heaven. I have haven't seen hear in years, but I always think of her and the love of a sister she showed me. I can only believe that she is smiling in heaven where she can finally be at peace. I just can't understand that such a beautiful person like Kelly , had to leave us at such a early age. I only pray that ur children will always be told how beautiful, funny, and full of life she was. I only pray u are in heaven with all ur loved ones. My love to her family, Melanie C.*

“ I remember that smile and a specific time when she came to the  
Galipeau family reunion. She must have been a teenager and she  
spent most of her time entertaining/playing with our daughter  
Christina. After the reunion, Christina couldn't stop talking about  
Kelly....it was so cute! She had a sweet soul!
