“ So sorry to hear about Kelly’s sudden passing. I worked with her in IT at MassMutual for many years, and we’d often get together after work for dinner. After my retirement, we kept in touch through Facebook. I know she found a real love in her life with Paul, and my heart breaks for all of her family and friends. She was really a great person and friend!

“ So sorry for your loss. I worked with Kelly for 30 years. Always pleasant, friendly and just a good person. Shocked. May the family find strength during this difficult time and know how much she was loved.
