“ Kelly was my very first friend. I remember spending lots of time playing together with our little crew of friends at Renfrew Field. Ice skating in the winter. The clubhouse in the summer. Lots of good times. We lost touch as we progressed through school, different classes, different friends. But I will always fondly remember her. My prayers to her children.

“ kelly and i were friends all through our school years. i have many fond memories of her. it has been many years since i have seen or spoken to her as i had moved away from the area. i know she will be missed by many. i am deeply saddened by the news of her passing and how she passed. i am a member of worldwide recovery and as sad as it is, i know that some need to die to save the lives of many. i know that kelly's death will not be in vain, it has served a greater purpose. RIP kelly, the struggle is over my friend.
