“ Dear Debbie, David, and all the family.
My most sincere condolences to you all, on the loss of such a lovely woman. I knew Linda (and Debbie) since they were young girls at Mark Hopkins School. I remember them both with such pleasing personalities, and wonderful smiles. Losing someone so young and so special is very difficult, and may God bless you and give you strength, knowing that Linda is now at peace and you will see her again one day. I regret I didn't know about her passing until too late to pay my respects to her and her family.

“ I was saddened to read today of Linda's passing.
We were friends in grammar school and parted ways, so to speak, in high school and beyond. We were still friends, just didn't "hang out" together anymore. But every few years we would see each other in a public place (such as Wal Mart or the like) and it was the same old Linda with the wonderful smile and personality to match. I send blessings to the family. All of the precious time you spent together will last forever in your hearts and memories, keeping her near always~

“ I was very sad to hear about Linda. After not seeing her for years, we talked as if we saw each other every day. Whenever I ran into her in Williamstown or WalMart, she always had a smile on her face. Linda was truly one of the nicest people I have known. She will be missed. You are in my thoughts and prayers.
