“ I am so sorry to hear of Linda's passing. I worked with her at G.E. Ordinance in Pittsfield, Mass. in a building called OP 9. I was a bride's maid at her and Roger's wedding, and she was the Godmother to my daughter, Lisa. She was such a sweetheart and I will miss her. R.I.P. sweet friend. Love, Helene & Stan Tomalesky

“ I was so very sad to learn of Linda’s passing. She was a bright light to any new parent! When we arrived from Maryland, Randy entered the second grade while Shannon waited for the following year for the big Red Schoolhouse. So loved and respected as our Saint Stan’s Family was, it was such an honor to call her a friend and know her heart was always children first with keeping them safe and happy. While waiting for the last student to leave for the day, Linda had that sweet, understanding look and “see you tomorrow!” Thank you, Linda. Roger’s been waiting; journey home and be at peace. You deserve all heaven has to offer! Just one more very special memory to cherish of this beautiful school and the staff, volunteers and families who made Saint Stanislaus Kostka School the gem of the Berkshires it will always be. A Rosary has been prayed many times for Linda and all who passed prior, including Quinn Connally, student. Quinn was in Shannon’s class. His memory is a treasure for our family. I wish we had alumni gatherings to enjoy many memories. How can I help?

“ Words cannot express how much we adored Mrs. McKay at Saint Stans School. She was always so pleasant and loving and funny. Long after my children graduated she would always ask about them by name. It seemed she remembered everyone! She will be sadly missed and we were truly blessed to have known her.

“ To all of Linda's family please except my sincere condolences on her passing. We met at GE many years ago and then again at St. Stan's when I worked in the cafeteria. She was a sweet and honest person. I'm honored to call her my friend. I thank her for teaching me how to make perogies, it was a labor of love on her part for sure. Linda and I took a couple of vacations way back when. One to my Aunts in Springfield and one to Florida. May she rest in piece. She's is now with the love of her life Roger.
